

ISPRS

International Society for Photogrammetry and Remote Sensing

ISPRS is Serving society with
information from images

Orhan ALTAN, ISPRS 1st Vice President
Lena HALOUNOVÁ, ISPRS Congress Director

ISPRS is ...

2

- an international NGO with a focus on
 - **science and development** in
 - photogrammetry, remote sensing, spatial information
 - cooperation between **different stake holders**
 - academia, private industry, government, end users
 - truly **global** cooperation
 - **education**, technology transfer, capacity building

Lena Halounová, 25/01/2013

ISPRS Vision: where we want to go

- ... to be the foremost scientific society in its field and *for the Society* at large,
- to speak *for all people* working in the field,
- to provide the *necessary resources* to develop the field.

(from ISPRS Strategic Plan 2010)

The beginning of ISPRS

- founded on July 4, 1910 in Vienna on the initiative of Prof. Eduard Doležal
- oldest international umbrella organisation in its field

Eduard Doležal, a professor for practical geometry at Vienna University of Technology

ISPRS Membership

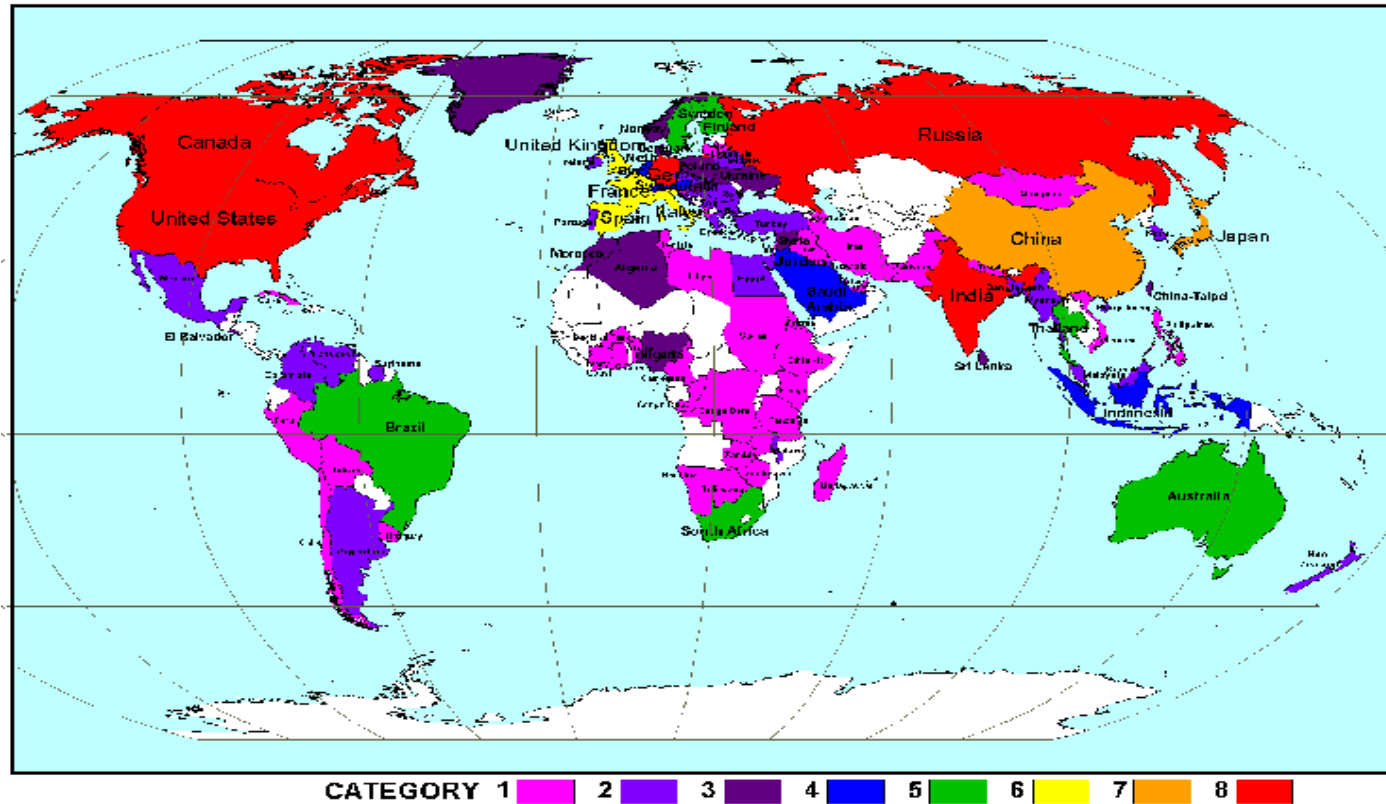

- **Ordinary** members (91)
 - representing a country or region as a whole
- **Associate** members (11)
 - representing a community not represented by the Ordinary Member organization
- **Regional** members (14)
 - multi-national association promoting regional cooperation
- **Sustaining** members (79)
 - providing financial support to the Society
- **Individuals**

ISPRS

a global society of organisations

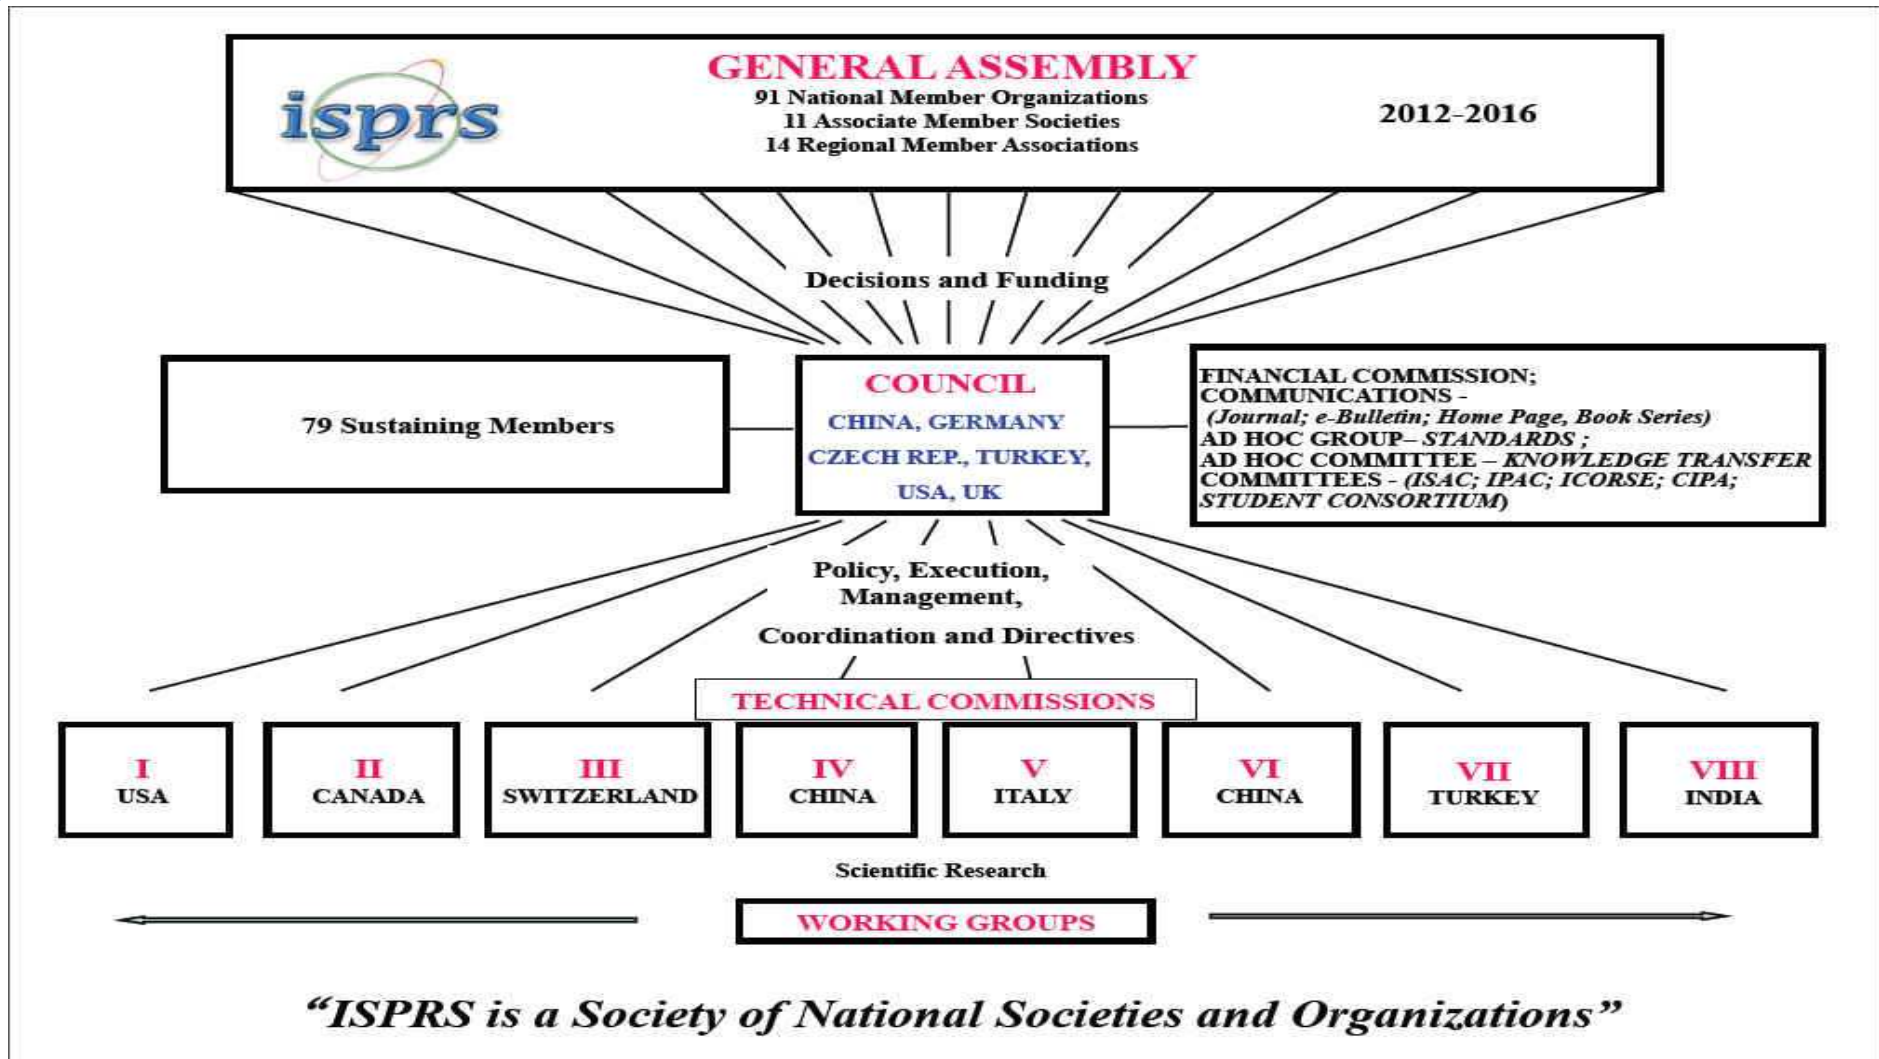

ISPRS Ordinary Members

Produced by Yoav Steinberg, CIS & RS Laboratories, University of Haifa, Israel
www.isprs.org

ISRPS Structure

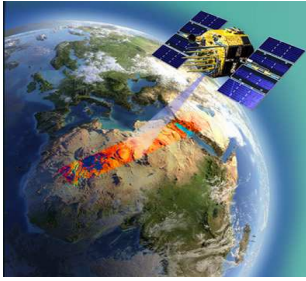

8 Technical Commissions (2012 – 16)

No.	Commission title	President
I	Sensors and platforms for remote sensing	Charles Toth (USA)
II	Theory and concepts of spatial information science	Songnian Li (CAN)
III	Photogrammetric computer vision and image analysis	Konrad Schindler (CH)
IV	Geospatial databases and location based services	Jie Jiang (China)
V	Close-range imaging, analysis and applications	Fabio Remondino (Italy)
VI	Education, technology transfer and capacity building	Jianya Gong (China)
VII	Thematic processing, modeling and analysis of remotely sensed data	Filiz Sunar (Turkey)
VIII	Remote sensing applications and policies	Vinay K. Dadhwal (India)

Ample cooperation within and across commissions

ISPRS Student Consortium

- ... represents students and young professionals of photogrammetry, remote sensing and spatial information sciences
- very active group, founded in 2004
- Chair: Ursa Kanjir (Slovenia)

2011 Summer School in Fayetteville,
see also <http://www.isprs-sc.org>

General meeting schedule

- Cooperation with other organisations, whenever appropriate

UNOOSA-JBGIS Projects

Booklet Launch,
2nd of July 2010, Vienna

UNOOSA-JBGIS and ICSU-GeoUnions Project

The Value of Geoinformation for Disaster and Risk Management (VALID)

Benefit Analysis and Stakeholder Assessment

International Council
for Science - GeoUnions

Joint Board of Geospatial
Information Societies

United Nations Office
for Outer Space Affairs

General meeting schedule

- Cooperation with other organisations, whenever appropriate
- **Workshops**, tutorials, summer schools etc. in odd years

General meeting schedule

- Cooperation with other organisations, whenever appropriate
 - **Workshops**, tutorials, summer schools etc. in odd years
 - One **Symposium** per Commission in other even years
- 2014 – Symposia of all TC from:
China, Italy, Switzerland, Turkey, USA, India

General meeting schedule

- Cooperation with other organisations, whenever appropriate

etc. in odd

er even years

INCOIS
Indian ocean
tsunami
warning
center

General meeting schedule

- Cooperation with other organisations, whenever appropriate
- **Workshops**, tutorials, summer schools etc. in odd years
- One **Symposium** per Commission in other even years
2014 – Symposia of all TC from:
China, Italy, Switzerland, Turkey, USA, India
- **Congress** for all in „Olympic Years” – next

XXIII ISPRS Congress, Prague 2016

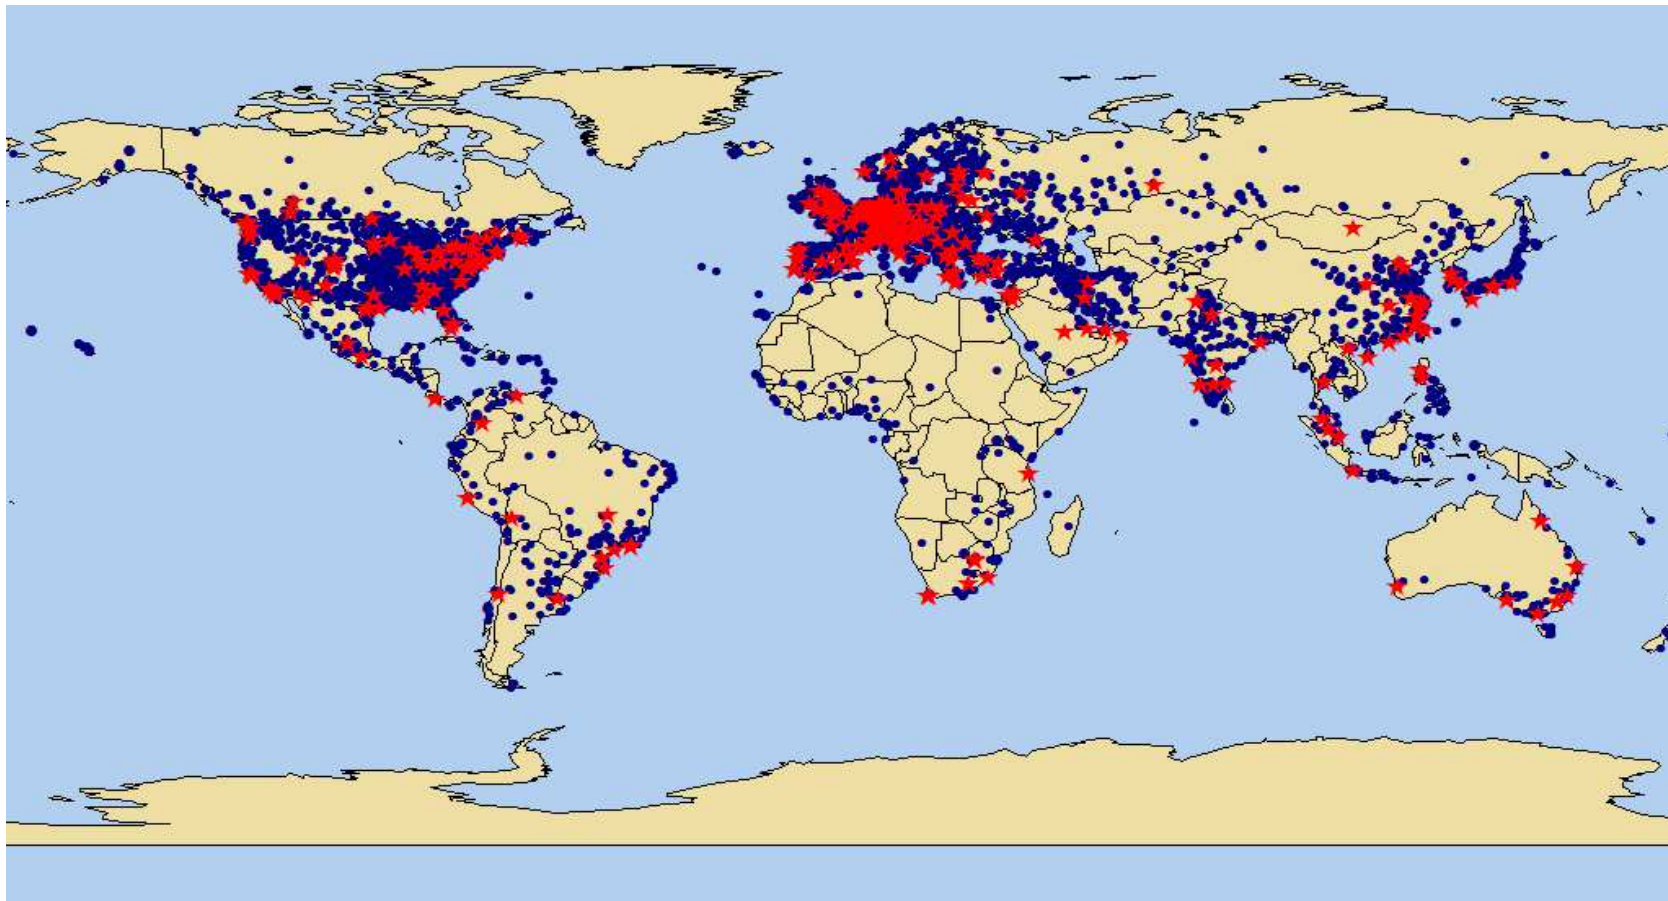

Prague, Czech Republic

July 12-19, 2016
