United Nations-UniteD Arab Emirates High Level Forum

Space as a Driver for Socio-Economic Sustainable Development

Namira Salim  
Founder & Executive Chairperson  
Space Trust
0G Summit

- Shuttle Diplomacy in a New Space Age
The Overview Effect
View of Earth from Space, Beyond Political Boundaries

Creates a Dramatic Paradigm Shift
Unites Beyond Geo-Political, Religious & Ethnic Divides
Compels Astronauts & Cosmonauts to Advocate Peace for all Humanity

“Here men from the planet Earth first set foot upon the Moon. July 1969 AD. We came in peace for all mankind.” - Neil Armstrong

Today, the Survival of mankind Depends on International Cooperation on the Peaceful Uses of Outer Space for all Humanity
A New Space Age

Commercialization or Democratization of Space Opens the Final Frontier to All Sectors

2015 Global Space Economy

- Non US Govt Space Budgets
- US Govt Space Budgets
- Comm. Space P + S
- Comm. Infrastructure & Industry

$322.94 Billion Total Annual Revenue

- Encouraging Public-Private Partnerships
- Triggering a New Space Economy
- Complex Space Environment

From the Edge of Space to Low Earth Orbit, to the Moon, Mars & Beyond
At the Dawn of Our New Space Age, Why not Open Space to World Leaders?
Henry Kissinger’s “Shuttle Diplomacy” — “Space Shuttle” Diplomacy in a New Space Age

0G Summit 2030 Towards Space 2030

- Our Lead Initiative are High Level Annual "0G Summits" i.e., Zero-Gravity Summits on Earth
- To 0G Summit 2030 towards Space2030
- To Mobilise World Leaders to Utilize Space as a Driver for Addressing Global Challenges
- To Implement Sustainable Peace-Making Solutions in Orbit for all Humanity

Contribute to Unispace+50 Process under the space diplomacy pillar
To spearhead innovative space diplomacy towards space 2030
0G Summit
- Shuttle Diplomacy in a New Space Age

0G Summit Endorsements & Reactions

A Former Head of State
State Level Endorsements

A Prominent NASA Astronaut
Three Cosmonauts at the ISS

The idea of THE 0G Summit is being

- Observed by UNOOSA
- Presented here at the HLF “Space as a Driver for Socio-Economic Sustainable Development” towards UNISPACE+50 2018
- Presented to the 54th Session of the Scientific & Technical Sub-Committee of COPUOS
- Recommended as a New Item on the Space Governance Agenda towards Space2030
- Received Favourably by Leaders & Visionaries from the Space Industry
- Implemented by a sophisticated team of consultants, lobbyists & Futurists
Spacefaring & new space nations are expanding cooperation beyond Low Earth Orbit, to asteroids, the Moon, Mars & beyond via human & robotic missions.

- Evolving Humans into Inter-Planetary Beings & Making Space “Inclusive” for All
- Accordingly, Convening a 0G Summit in Space is Only Within Grasp
- Future Human Habitats in Space & New Space Stations Make Potential Launching Pads
INAUGRAL OG SUMMIT

Will Present a "0G Summit Simulation" Incorporating Virtual Reality & Interactive APPs To Create a Fully Immersive Experience in the Space Environment for all Participants

- Humble Beginnings
- At Least Two Heads of State, Nobel Peace Prize Laureates, Religious Leaders, Celebrities, Futurists
- Mobilize Civil Society & Youth via a Global Movement
- Two Major Spacefaring Nations. Hopefully, the US & Russia, Leading Space Agencies & ISS Partners
- Invite a Total of the Following Five Countries Representing a Population of Over 650 Million

0G Summit - Shuttle Diplomacy in a New Space Age

0G SUMMIT proposed "Declaration"

Nations & Futurists Will Come Together to Make a Declaration:

- Recognize Space as the New Frontier for Peace
- Mobile Spacefaring & New Space Nations towards the First 0G Summit in Space by 2030
- Support the UN SDGs 2030 towards Space2030
- Spearhead “Space Shuttle” Diplomacy in a New Space Age
- To Benefit All Humanity via Peaceful Applications of Outer Space
- To Avoid Earthly Conflicts from Preventing International Cooperation in Space
DATE & VENUE

The Annual Preparatory Meetings of the 0G Summit in Monaco
Currently Assessing the Best Venue for the Inaugural 0G Summit Next Autumn

Date & Venue to be Announced as Soon as Confirmed
RECOMMENDATIONS

Space Actors Must Become the Stimulus behind the Political Will for Making Peaceful Uses of Outer Space & Peace Making in Space a Priority on the Global Agenda

Therefore, Space Trust Recommends that all Sectors Collectively

- Harness the power of space to unite nations towards innovative space diplomacy
- Present 0G Summit 2030 during the UNISPACE+50 process
- Recommend 0G Summit 2030 as a new item on the agenda of the 54th Session of the Scientific & Technical Sub-Committee of COPUOUS
- Mobilize UNOOSA member states, observer organizations, space agencies, ISS partners, Astronauts & civil society to advocate & endorse the first High Level 0G Summit in orbit by 2030
- Secure State Level Endorsements in support of 0G Summit 2030
- Leverage Annual 0G Summits on Earth via space industry participation & public-private partnerships
- Spearhead “space shuttle” diplomacy & international cooperation towards Space2030
- Establish collaborative avenues of peace-making on Earth, in orbit & beyond to benefit all nations
- Convene the first 0G Summit 2030 in space to support SDGs 2030
- Resolve historic conflicts & combat terrorism in orbit for the universal benefit of mankind

Conclusion

Recognize & Implement “Space as the New Frontier for Peace” towards Space2030
I am sincerely grateful to:

- Ms. Simonetta Di Pippo, Director UNOOSA for her kind invitation and cooperation
- Mr. Ken Hodgkins, Director Office of Space & Advanced Technology US State Department, for his continued cooperation
- Thankful to our Organizers, Sponsors & Hosts – the UAE Space Agency & the Mohammed bin Rashid Space Center
