## **The Eight Interactive Points** **Between UNOOSA and the Centres**

1. Support the development of web pages for all regional Centres
2. Disseminate information on education activities of the regional Centres world-wide through established mail and email data bases
3. Submit information on the regional Centres for inclusion in international directories
4. Develop information panels on regional Centres for incorporation into the permanent space exhibit of the Office at the United Nations Office Vienna
5. Arrange for presentations on accomplishments of the regional Centres at the session of COPUOS and at activities organized by the Office for Outer Space Affairs
6. Implement a common accounting mechanism for financial resources provided by OOSA to regional Centres
7. Support the development of education curricula as requested
8. Contribute substantially to the regular meetings of the Governing Boards of the regional Centres.

**We continue improving the interactive process**
