## WHO WE ARE ?

---

A young space exploration start up company based in three countries  
Russia , India and Mexico

A multicultural team, where people are from different continents and  
cultural backgrounds.

Would like to be part of everyone's dream of travelling in space and time.

## SPACE TOURISM

---

It will bring 14 people from all over the world for a space training competition and the winner can fly a MIG 29/31 for a free trip to stratosphere. The competition will take place in Russia during June 2018 during celebrations of both UNISPACE+50 and FIFA 2018 world cup.

# Space Tourism

---

**Phase 1 : Free stratosphere ticket to the winner of global competition – June 2018**
