

EDUCATIONAL BACKGROUND

Please note that there is a separate sample answer sheet for the following questions. Please read it carefully before answering the following questions. The sample sheet also contains an educational background sample for the MEXT application form. Please review it carefully before filling out the MEXT application form.

- Q1. Describe the regular educational system of your country, including the starting and graduation age, from elementary school to university (the most common system) and the years in total including summer holidays or other long holidays, and fill the table below.

The most common system

	Regular period	Starting age (Turn to)	Graduation age (Turn to)
Elementary school	years	Years old	Years old
Junior high school	years	Years old	Years old
High school	years	Years old	Years old
University	years	Years old	Years old

- Q2. If your educational background is different from the regular educational background, please describe the reason and details.

Your educational background

	period	Starting age (Turn to)	Graduation age (Turn to)	Note
Elementary school	years	Years old	Years old	
Junior high school	years	Years old	Years old	
High school	years	Years old	Years old	
University	years	Years old	Years old	

- Q3. Inform the term and month for normal entrance and graduation.

	Start	End	Note
Elementary school			
Junior high school			
High school			
University			

Q4. If your educational background does not match the answer to Q3, please explain the reason and details.

Name of school	Start	End	Note

Q5. If you have relevant additional information regarding your educational background, please describe here.
