COMMITTEE ON THE PEACEFUL USES OF  
OUTER SPACE

INFORMATION FURNISHED IN CONFORMITY WITH THE CONVENTION ON  
REGISTRATION OF OBJECTS LAUNCHED INTO OUTER SPACE

Note verbale dated 8 December 1989 from the Permanent  
Representative of the United Kingdom of Great Britain  
and Northern Ireland to the United Nations addressed  
to the Secretary-General

The Permanent Representative of the United Kingdom of Great Britain and Northern Ireland to the United Nations presents his compliments to the Secretary-General of the United Nations and has the honour to inform him, in accordance with article IV of the 1975 Convention on Registration of Objects Launched into Outer Space, that the United Kingdom-registered space object Uosat 1, designation 1981 100B, launched on 6 October 1981, has now decayed and is no longer in Earth orbit. The bulletin of the National Aeronautics and Space Administration (NASA) of the United States of America confirming the decay of Uosat 1 is attached. The object has now been removed from the United Kingdom register.
