Committee on the Peaceful Uses of Outer Space

Information furnished in conformity with the Convention on Registration of Objects Launched into Outer Space

Note verbale dated 6 December 2000 from the Permanent Mission of China to the United Nations (Vienna) addressed to the Secretary-General

The Permanent Mission of China to the United Nations (Vienna) presents its compliments to the Secretary-General of the United Nations and, in accordance with article IV of the Convention on Registration of Objects Launched into Outer Space (General Assembly resolution 3235 (XXIX), annex), has the honour to transmit the registration data on the Tsinghua-1 microsatellite launched by China on 28 June 2000 (see annex).
Annex

Registration data on space objects launched by China

On 28 June 2000, the Tsinghua-1 microsatellite was launched by the Russian COSMOS-3M rocket from the Russian Plesetsk Cosmodrome launch centre.
