Symposium on National space legislation - crafting legal engines for the growth of space activities

## Symposium

A symposium on “National space legislation - crafting legal engines for the growth of space activities will be held today, Monday, 22 March 2010, in Room M1, at 3 p.m.

The symposium will be co-chaired by the President of the International Institute of Space Law, Tanja Masson-Zwaan, and the President of the European Centre for Space Law, Sergio Marchisio. Presentations will be made on the following subjects: “The need to implement the Outer Space treaty in national law in the light of current and foreseeable space activities”; “Space legislation as enhancer of space activities and policies”; “Matching detail with practice: what are the essential elements that need to be specified in National Space Legislation?”; “Considerations on Space Liability Insurance”; “Economic impacts of national space legislation and the establishment of fair conditions for commercial activities”; and “Accompanying space regulations. Ensuring safe in-orbit operation and interoperability”. Concluding remarks will be made by the Chair of the Legal Subcommittee and the Chair of the Working Group on National Space Legislation of the Legal Subcommittee.
