Conference
Room III

Industry Symposium

V.08-51015 (E)

Industry Symposium

3:00 p.m.-
6:00 p.m.

Conference
Room III

An industry symposium on the theme “Space industry in emerging space nations” will be held *today*, Tuesday, 12 February 2008, in Conference Room III, at 3:00 p.m.

The symposium will address the role of the space manufacturing sector (satellites and their components, launchers, ground-support equipment) and the space service sector (applications, launch services, but excluding the value-adding businesses) in emerging space nations. The symposium will be moderated by Mazlan Othman of the United Nations Office for Outer Space Affairs, and presentations will be made on “Space industry of emerging space nations in the global space market”, on “IAF and its role to promote space industry relations with emerging space nations”, on “Building indigenous space industry capacities: The Indian experience”, on “Satellite solutions in emerging countries”, on “Cooperation between space industry in established and emerging space nations”, and on “From space science and applications to commercial space business”.

SUMMARY OF SCHEDULED MEETINGS

678th meeting

Adoption of the Agenda [1]

The provisional agenda (A/AC.105/C.1/L.293) was adopted.

Election of the Chairman [2]

Mr. Aboubekr Seddik Kedjar of Algeria was elected Chairman of the Subcommittee.

Statement by the Chairman [3]

The Chairman made an opening statement outlining the work of the Subcommittee.

Organization of work

The Subcommittee decided to invite the representatives of Angola, Costa Rica, Côte d’Ivoire, the Dominican Republic, El Salvador, the Former Yugoslav Republic of Macedonia, Guatemala, and Tunisia, and of the European Organisation for Astronomical Research in the Southern Hemisphere (ESO), the European Telecommunications Satellite Organization (EUTELSAT IGO), and the Secure World Foundation (SWF).

General exchange of views [4]

The Subcommittee began its consideration of this item with statements by Japan, Chile, Pakistan, the Republic of Korea, the Syrian Arab Republic, Bolivia, Indonesia, Algeria, Austria, and the Philippines.

The Director of the Office for Outer Space Affairs made a statement on the work of the Office.

679th meeting

General exchange of views [4]

The Subcommittee continued its consideration of this item with statements by Hungary, Brazil, and Spain.

United Nations Programme on Space Applications [5]

The Subcommittee began its consideration of this item with a statement by the Senior Programme Officer of the Space Applications Section of the United Nations Office on Outer Space Affairs, on behalf of the Expert on Space Applications.

Implementation of the recommendations of the Third United Nations Conference on the Exploration and Peaceful Uses of Outer Space (UNISPACE III) [6]

The Subcommittee began its consideration of this item.
