PERMANENT MISSION OF THE REPUBLIC OF ARMENIA TO THE
INTERNATIONAL ORGANIZATIONS IN VIENNA

M/030

The Permanent Mission of the Republic of Armenia to the International Organizations in Vienna presents its compliments to the United Nations Office for Outer Space Affairs and has the honor to inform that the Government of Armenia has decided to apply for membership of the Committee on the Peaceful Uses of Outer Space (COPUOS).

The Government of Armenia is confident that the membership in COPUOS will help further expand its capabilities in the space technology and applications area as well as make an important contribution to the international cooperation, economic development and social progress. Armenia will demonstrate strong capabilities in the application of space science and technology for development and make valuable contributions to the deliberations in the COPUOS.

Armenia has shown, and hopes to continue showing, its capacities in the application of the space science and technology in the interests of national and international development.

The Permanent Mission of the Republic of Armenia to the International Organizations in Vienna would be grateful if the United Nations Office for Outer Space Affairs would circulate this Note Verbale among the Member States of COPUOS with a view to inform them on the application for membership submitted by the Government of Armenia.

The Permanent Mission of the Republic of Armenia to the International Organizations in Vienna avails itself of this opportunity to renew to the United Nations Office for Outer Space Affairs the assurances of its highest consideration.
