# 42 studies in preparation as of April 2011 9 published in 2010

**IAA Studies online  
full text [iaaweb.org](http://iaaweb.org)**

# Four IAA Studies Related to the Space Debris

# Axis of IAA Development in the World

## Opening IAA Secretariat new Branches.

- Bangalore (February 2010) in charge of the IAA conferences, software development phase.

# Axis of IAA Development in the World

## Opening new IAA Studies Center

- Beijing (May 30, 2010) in charge of the IAA studies preparation and new Study Center creation

**Unveiling Ceremony of the new IAA Study Center in Beijing: from left to right: Academicians Ma Xingrui, CASC, JM Contant, IAA, Xu Guanhua, IAA Trustee and former Minister MOST, and representative from CNSA**

# Axis of IAA Development in the World

- **New projects of global scale Disaster Management IGMASS satellite constellation,**
- **Data Exchange in Remote Sensing, Earthquake Prediction,**
- **Life Science spinoff Telemedicine for Africa**
- **IAA Sustainable Program for small satellites:**
  - **Cameroon**
  - **Nigeria**
  - **Tunisia**
  - **Vietnam**

*IAA Academician Anatoly Perminov, Head of Roscosmos and Chair of the IAA IGMASS Project, in Cyprus, 2009*

# 30 Heads Space Agencies historic SUMMIT, Nov. 17<sup>th</sup>, 2010.

**30 Head of Space Agencies Summit  
November 17<sup>th</sup>, 2010, in Washington D.C.,  
on the occasion of IAA 50<sup>th</sup> Anniversary**

**How to balance new aspirations and challenges  
with existing programs/budgets and national  
interests/needs?**

**How to cooperate while partners number triple?**

**How to build confidence, trust, transparency?**

**How to exploit responsible use of space ISS to  
increase new cooperation?**

**IAA a Unique Elite Body  
to be Catalyst for new Scale Cooperation  
“Together to Space to Enrich all on Earth”**

**To convince political decision makers.**

**To imagine space cooperation for the  
new generations.**

**The Academy continues to FOCUS on :**

- **Robotic Space Exploration**
- **Human Spaceflight**
- **Disaster Management**
- **Climate Change**

# **2011: IAA Group for Summit Follow-on Towards Cooperation on a Larger Scale**

## **Chair**

**K. Radhakrisnan, Chairman ISRO**

## **Co-Chairs**

**S.O. Mohammed, DG NASRDA, Nigeria**

**M-I, Piso, DG ROSA, Romania**

## **Advisors**

**Daniel Goldin, Former Administrator NASA**

**Walter Kroell, Former Head of DLR**

**Thank you**
