

**Committee on the Peaceful
Uses of Outer Space****Information furnished in conformity with the Convention
on Registration of Objects Launched into Outer Space****Note verbale dated 5 October 2004 from the Permanent Mission of
the United Arab Emirates to the United Nations (Vienna)
addressed to the Secretary-General**

The Permanent Mission of the United Arab Emirates to the United Nations (Vienna) presents its compliments to the Secretary-General of the United Nations and, in accordance with article IV of the Convention on Registration of Objects Launched into Outer Space (General Assembly resolution 3235 (XXIX), annex), has the honour to transmit the registration data for objects launched by the United Arab Emirates in June 2003 (see annex).

Furthermore, the Permanent Mission of the United Arab Emirates to the United Nations (Vienna) wishes to inform the Secretary-General that the space object Thuraya-1 (registered in document ST/SG/SER.E/390) has now been moved to the geostationary satellite orbit location of 98.5 degrees east.

Annex

Registration of objects launched into outer space by the United Arab Emirates*

Country name:	United Arab Emirates
Name of space object:	Thuraya-2
Date of launch:	10 June 2003
Place of launch:	Sea launch
Basic orbital parameters:	
Nodal period:	1,436 minutes
Inclination:	6.24 degrees
Apogee height:	35,802 kilometres
Perigee height:	35,770 kilometres
General function of space object:	Mobile satellite communication services
Other:	Geostationary orbit over 44 degrees east

* The registration data are reproduced in the form in which they were received.
