

**Committee on the Peaceful
Uses of Outer Space**

**Information furnished in conformity with the Convention
on Registration of Objects Launched into Outer Space**

**Note verbale dated 30 October 2007 from the Permanent Mission
of the Russian Federation to the United Nations (Vienna)
addressed to the Secretary-General**

The Permanent Mission of the Russian Federation to the United Nations (Vienna) presents its compliments to the Secretary-General of the United Nations and, in accordance with article IV of the Convention on Registration of Objects Launched into Outer Space (General Assembly resolution 3235 (XXIX), annex), has the honour to transmit registration data on space launches by the Russian Federation for August 2007 and also on the space objects that ceased to exist during that period (see annex).

Annex

Registration data on space launches by the Russian Federation for August 2007*

1. In August 2007, the following space object belonging to the Russian Federation was launched:

Number	Name of space object	Date of launch	Basic orbital characteristics				General function of space object
			Apogee (km)	Perigee (km)	Inclination (degrees)	Period (minutes)	
3223	Progress M-61 launched by a Soyuz carrier rocket from the Baikonur launch site	2 August	268	191	51.6	88.8	Delivery to the International Space Station of fuel, water, oxygen, air, food and other expendable materials required for operation of the Station during the piloted flight

2. In August 2007, the Russian Federation did not launch any space objects on behalf of foreign clients.
3. The following space objects ceased to exist in August 2007 and were no longer in Earth orbit as at 2400 hours Moscow time on 31 August 2007:
- 2007-002A (Progress M-59)
- 2007-022A (Cosmos-2427)

* The registration data are reproduced in the form in which they were received.
