

- This letter must be printed on university stationery and must be signed by the dean or a higher rank official of your most recent attended university. An official stamped seal is also required.
- The letter must be addressed to the president of Kyushu Institute of Technology.
- It must state at least one reason how your rank was calculated as top 30%. Without any reasons, only stating the applicant's rank was top 30% is not acceptable.
- Remove red text before printing this letter.

### **NOMINATION FORM (RANK CERTIFICATE)**

To the President of Kyushu Institute of Technology

Hereby is recommended for the United Nations/Japan Long-term Fellowship Programme "Post-graduate study on Nano-Satellite Technologies (PNST)".

It is hereby certified that Mr/Ms **XXXXXXXX** (Date of Birth: **Day/Month/Year**; student ID: **XXXXXXXX**) has completed (or expected to complete) the Bachelor's/Master's degree in **XXX Engineering** at the **Department of XXXXXX, XXXXXX** University. The student's overall rank was in top 30% in his/her graduating class.

(The reasons)

The student's rank was **2** within **30** students who graduated in the same academic year in the same department.

Sincerely,  
[signature]

[full name, title, and position at the university]
