STATEMENT OF PURPOSE**Name** _____

Explain your reasons for applying to participate in this Fellowship Programme at Kyutech. Please include the answer to the following questions;

- Q1. What is your motivation to participate in this programme and what is your post-degree plan?
- Q2. How do you plan to participate in your home country's space program? What capacity currently exists in your country?
- Q3. Tell us briefly what research (or work) you are doing now.
- Q4. Tell us briefly about your academic background, what you did during Master or undergraduate-degree studies.
- Q5. What do you want to do as your research work for the Master or Doctor degree? Briefly summarize your plan in this format less than 200 words. Detail plan should be described in the attachment of "Field of Study and Research Plan" (see the Checklist No.04).
*Note that the desire to undertake a satellite project constitutes a project activity, not a research work. In particular, Doctoral applicants must propose a detailed research plan with a novelty by identifying a problem to be solved through the investigation with previous research in the form of "Field of Study and Research Plan".
- Q6. Please indicate the links of your proposed thesis/programme activities to one or more Sustainable Development Goals.

You may use separate sheets of paper (max 1,200 words).

ABSTRACT OF MASTER or BACHLOR THESIS Name

If you have not finished your Master's or Bachelor's degree at the time of application, write a progress report. You may use separate sheets of paper (max 2,000 words).
