World Space Forum 2023

Recommendations

Session I: Leave no one behind

"Space2030" Agenda:

Overarching objective 2: Harness the potential of space to solve everyday challenges and leverage space-related innovation to improve the quality of life

Overarching objective 3: Improve access to space for all and ensure that all countries can benefit socioeconomically from space science and technology applications and space-based data, information and products, thereby supporting the achievement of the Sustainable Development Goals

SDGs

1, 2, 4, 5, 7, 10

Session II: Protect our planet

"Space2030" Agenda:

Overarching objective 1: Enhance space-derived economic benefits and strengthen the role of the space sector as a major driver of sustainable development

SDGs:

6, 7, 11, 12, 13, 14, 15

Session III: Be prepared

"Space2030" Agenda:

Overarching objective 2: Harness the potential of space to solve everyday challenges and leverage space-related innovation to improve the quality of life

SDGs:

3, 13

Session IV: Space in the United Nations

"Space2030" Agenda:

Overarching objective 4: Build partnerships and strengthen international cooperation in the peaceful uses of outer space and in the global governance of outer space activities

SDGs:

3, 16, 17

Session V: Boost partnerships

"Space2030" Agenda:

Overarching objective 4: Build partnerships and strengthen international cooperation in the peaceful uses of outer space and in the global governance of outer space activities

SDGs:

17

Session VI: Use Space Sustainably

"Space2030" Agenda:

Overarching objective 1: Enhance space-derived economic benefits and strengthen the role of the space sector as a major driver of sustainable development

SDGs:

8, 9
