

# SPACE 360

Technical presentation

UNCOPUOS, 7-15 June 2017

# SPACE 360

# Space360:

- Experience space;
- Explore the ISS with a cosmonaut;
- See the Earth from orbit;

*A theatre, where you get to be at the center stage of the performance.*

All you need is a pair of VR glasses.

# First-ever 4K panoramic view of Earth from aboard ISS

# Promoting Quality Education, Innovation, Climate Action and Global Partnership in space

- **9 episodes,**
- **available in 6 languages:**
