

OUTCOMES OF THE 8th SPACE GENERATION FUSION FORUM!

5-8 April 2019

Origins of the Space Generation Advisory Council

SGAC is a global **non-governmental, non-profit** organisation and network representing **university students and young space professionals** ages **18-35** to the United Nations, space agencies, industry, and academia.

Conceived at the Third United Nations Conference on the Exploration and Peaceful Uses of Outer Space (UNISPACE III) in Vienna in 1999

“

To create, within the framework of the Committee on the Peaceful Uses of Outer Space, a consultative mechanism to **facilitate the continued participation of young people from all over the world**, especially young people from developing countries and young women, in cooperative space-related activities...
