COPUOS 64th Session Side Event - Announcement of Opportunity

Fellowship Programme on the Large Diameter Centrifuge

Hypergravity Experiment Series (HyperGES)

Date: Wednesday 1 September 2021

Time: 14:45 to 15:00 CEST (12:45 to 13:00 UTC)

Venue: Microsoft Teams

Connection Link: <https://tinyurl.com/HyperGES-AO2>

This event will mark the announcement to open the 2nd round for applications of the “[United Nations / European Space Agency Fellowship Programme on the Large Diameter Centrifuge Hypergravity Experiment Series \(HyperGES\)](#)” as part of UNOOSA’s [Access to Space for All Initiative](#), in cooperation with the [European Space Agency \(ESA\)](#). The fellowship programme is aimed at providing opportunities for scientists and researchers with a team of students from Member States of the United Nations, with particular attention to developing countries, to conduct their own hypergravity experiment series at the Large Diameter Centrifuge (LDC) facility located at the [European Space Research and Technology Centre \(ESTEC\)](#) in Noordwijk, the Netherlands.

The HyperGES fellowship programme is contributing to the promotion of space education and research in hypergravity around the world, particularly for the enhancement of relevant capacity-building activities in developing countries.
