"an official 65th UN COPUOS side-event"

Emerging Space @ COPUOS 2022

Building bridges between established
and emerging space industry

This online event will provide a unique opportunity to discuss the topic of emerging space ecosystems in the context of industry collaboration between the traditional large space companies and SMEs from smaller & emerging space economies. Inputs from this discussion will be subsequently used in the Special Session, that Slovak Space Office is organising in collaboration with UNOOSA, ASD Eurospace, and Eurisy during the IAC 2022 in Paris.

Speakers:

Mr. Michal Brichta

Head of Slovak Space Office - Industry Branch

Dr. Deganit Paikowski

IAF vice-president, lecturer at Hebrew University of Jerusalem

Dr. Valanathan Munsami

ISU Chancellor, GLEC 2022 IPC Co-Chair

Mr. Pieter van Beekhuizen

Director at Bexperience, SSPF Board member, vice chair IAF CLIODN

Moderator: **Mr. Daniel Šagath PhD.**, International Cooperation
Manager at Slovak Space Office - Industry Branch

 June 7th, 13:30 - 14:30 (CEST) | Online (ZOOM)
