

JOINT SIDE EVENT CO-ORGANIZED BY THE
GOVERNMENT OF PORTUGAL AND
THE OFFICE FOR OUTER SPACE AFFAIRS

"MANAGEMENT AND SUSTAINABILITY OF OUTER SPACE ACTIVITIES CONFERENCE"

6 February 2024
1:15 p.m. Vienna time (CET)
Room M2

The UN/Portugal conference "Management and Sustainability of Outer Space Activities" in Lisbon, Portugal, 14. – 15.05.2024 will be an opportunity for Member States to look beyond the Summit of the Future and discuss the space elements of the draft Pact for the Future and the future of Management and Sustainability of Outer Space Activities as highlighted in the Secretary General's Policy Brief incl. Space Traffic Management, Space Debris and Space Resources. This side event will be dedicated to the preparatory activities and present the outcomes of the virtual technical symposium held in November 2023 and the draft agenda of the virtual policy symposium (11 to the 15 of March) as well as provide a background on the planning and preparations of the main in-person conference in May 2024.

Join us on February 6 at 1:15 pm to learn more.
