

# Serbia and the Balkans UNITED UNDER SDGs

Mr. Milan Mijovic, LL.M, president *Serbian office for Space sciences, research and development*

United Nations/China Forum on Space Solutions:  
realizing the sustainable development goals

Serbian Office for Space Sciences  
Research and Development

Канцеларија Србије за свемирске науке,  
истраживања и развој

# Establishment of SERBSPACE

- idea of a roof organization gathering individuals, professionals, entities and government relating to space sector
- two main goals: capacity building and international cooperation
- three pillars: academia, industry and society
- national and international representation
- supported by UNOOSA, SGAC and other international stakeholders
