

Discussion Panel 2: ISWI – The Way Forward

Moderator: Manuela TEMMER, Austria

Rapporteur: Sharafat GADIMOVA, United Nations Office for Outer Space Affairs

Panel:

- Masha KUZNETSOVA, United States (online)
- Mamoru ISHII, Japan (online)
- Babatunde RABIU, Nigeria
- Nadia IMTIAZ, Pakistan

Questions:

- What would be urgently needed ISWI initiatives to bring Space Weather to the next level?
Think of instrumentation, data analysis, modeling, education, training, and public outreach...
- How to attract early career scientists?
- Where does ISWI stand with respect to other Space Weather initiatives?
- How could ISWI support other ongoing international initiatives?
- [...]
