Stellar Lab
The M7.8 and M7.5 Kahramanmaraş Earthquake Sequence struck near Nurdağı, Turkey (Türkiye) on February 6, 2023.
Astronomy in Challenging Times

We visited 5 different cities, trained 50 teachers and carried out activities with 2 thousand students. (Hatay, 2023)
Exploring the Universe with Printable Content!
Our Projects

Numerous activities and initiatives were conducted online throughout the COVID epidemic.

Over 300 families from 72 different cities created astronaut suits at home and organized a mission.
Online Courses

Hundreds of people have received training from astronomers, science teachers and space engineers!
In 2020, 30 high school teenagers started an e-journal at Stellar Lab!
