

UN/IAF Workshop:

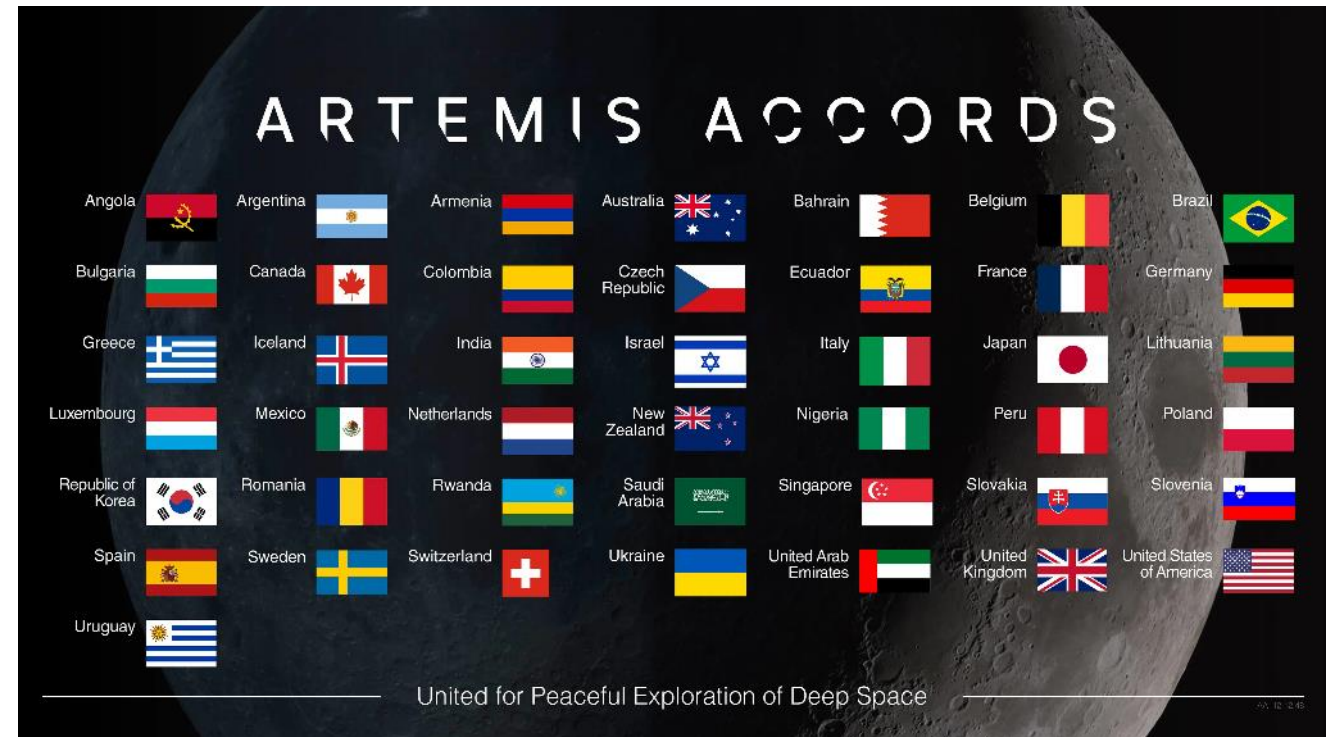

# Australian space sustainability

Friday, 11 October 2024

# AUSTRALIA'S HISTORY OF SPACE SUSTAINABILITY

- 1958 - Founding member of the UN'S Committee on the Peaceful Uses of Outer Space (UN COPUOS)
- 2020 - Signatory of NASA's Artemis Accords principles on sustainable use of space
- Australia is implementing the Guidelines for the Long-term Sustainability of Outer Space Activities and is committed to working closely with the space sector on implementation
- 2022 - Commitment to never conduct destructive, direct ascent anti-satellite missile testing
