

# Inspiring Tanzania's Sustainable Space Agenda

Success Stories from Baku to Milan

# Background

“The government is making efforts to have a satellite with the aim of strengthening communication”

**Her Excellence Hon. Dr. Samia Suluhu President of The United Republic of Tanzania February 8, 2022,**

**Aarti Holla-Maini**  
Director  
UN Office for Outer Space Affairs

Supporting countries like Tanzania is vital for ensuring equitable access to the benefits of space exploration. Through international cooperation and knowledge sharing, we can empower these nations to play a significant role in the global space community.

# LESSONS LEARNT FROM BAKU

Capacity Building and Awareness

Government and Private Collaboration

Infrastructure and Policy Development

UN/IAF workshop experience & Take Away

# TANZANIA SPACE PROGRAM STRATEGIC PLAN

SP

Strategic Objectives

Activities

Milestones

Targets

*Position  
Tanzania as a  
significant  
player in the  
global space  
arena*

Tanzania Five-Year Strategic  
Space Program Plan

# CONCLUSION

**Strengthening  
Regional and Global  
Partnerships**

**Learning from Global  
Success Stories**

**Fostering  
Collaboration for  
Progress**

**Thank you  
Asante**
