Spacewatch.Global Your trusted source for space information

UNOOSA Workshop
28 October 2020

Torsten Kriening – Publisher

What is SpaceWatch.Global?

Background:

- ThorGroup GmbH is the legal entity based in Switzerland that publishes and services SpaceWatch.Global
- Bridging the informational divide in the global space ecosystem;
- Five year heritage: over 4,200 articles on the website, over 125 bi-weekly published newsletters, about 40,000 users per month online;
- Coverage based on Swiss neutrality and Code of Ethics for Journalists;
- Unique positioning in the competitive landscape by premium market access and global outreach;

Our Vision:

- The independent voice for global space!
- SpaceWatch.Global is the go-to source for information, powered by truly global communications.

Our Mission:

- SpaceWatch.Global is a provider of business intelligence for the space and satellite industries. Staying on the pulse of emerging space countries, we offer market analyses, forecasts, in-depth interviews, industry news, and timely information.
- For industry professionals, government officials, and other interested readers SpaceWatch.Global delivers news and information through online content platforms, e-newsletters, and events.

A Swiss Heritage

Based in Switzerland and backed with dozens of years of space industry expertise, SpaceWatch.Global provides the ideal hub for independent and competent industry information.

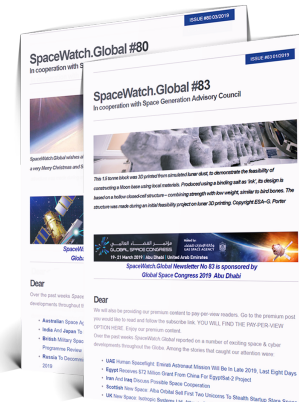

- As a Swiss company, we are independent & neutral (unique & sustainable competitive advantage)
- High journalistic standards and independence due to adherence to Code of Ethics for Journalists and UN SDGs (mainly SDG#4 – Equal Education)
- Relevant and valuable information due to long-term space industry expertise on client and consulting side for our members

Portfolio

- Stories, exclusive interviews, op'eds, editorial services
- Whitepapers
- Newsletters
- Website advertisements
- Events, Webtalks, Moderation, Podcasts

AN INDEPENDENT PERSPECTIVE ON SPACE

Who we are ?

Our special formats

The poster for 'space café BLACK OPS' features a black background. On the left, a large white crescent moon is depicted with a helicopter and several parachutists inside its curve. Below the moon, the text 'BLACK OPS by Ralph Thiele' is written. To the right of the moon, the 'space café' logo is displayed in a stylized white font. Further right, the title 'BLACK OPS BY RALPH THIELE' is written in bold white capital letters. Below this, the subtitle 'The LEO and MEO wave - Implications for Security and Defence' is written in a smaller white font. At the bottom right, the date and time 'THURSDAY, 12 NOVEMBER 2020 @ 4PM CEST' are listed. The bottom of the poster shows silhouettes of soldiers in a combat stance.
