

# World Space Week

## Satellites to improve lives

Setra Yoman P.  
9 October 2020

PIONEERING INDONESIA NANOSATELLITE

# Start of the Journey (2016)

April

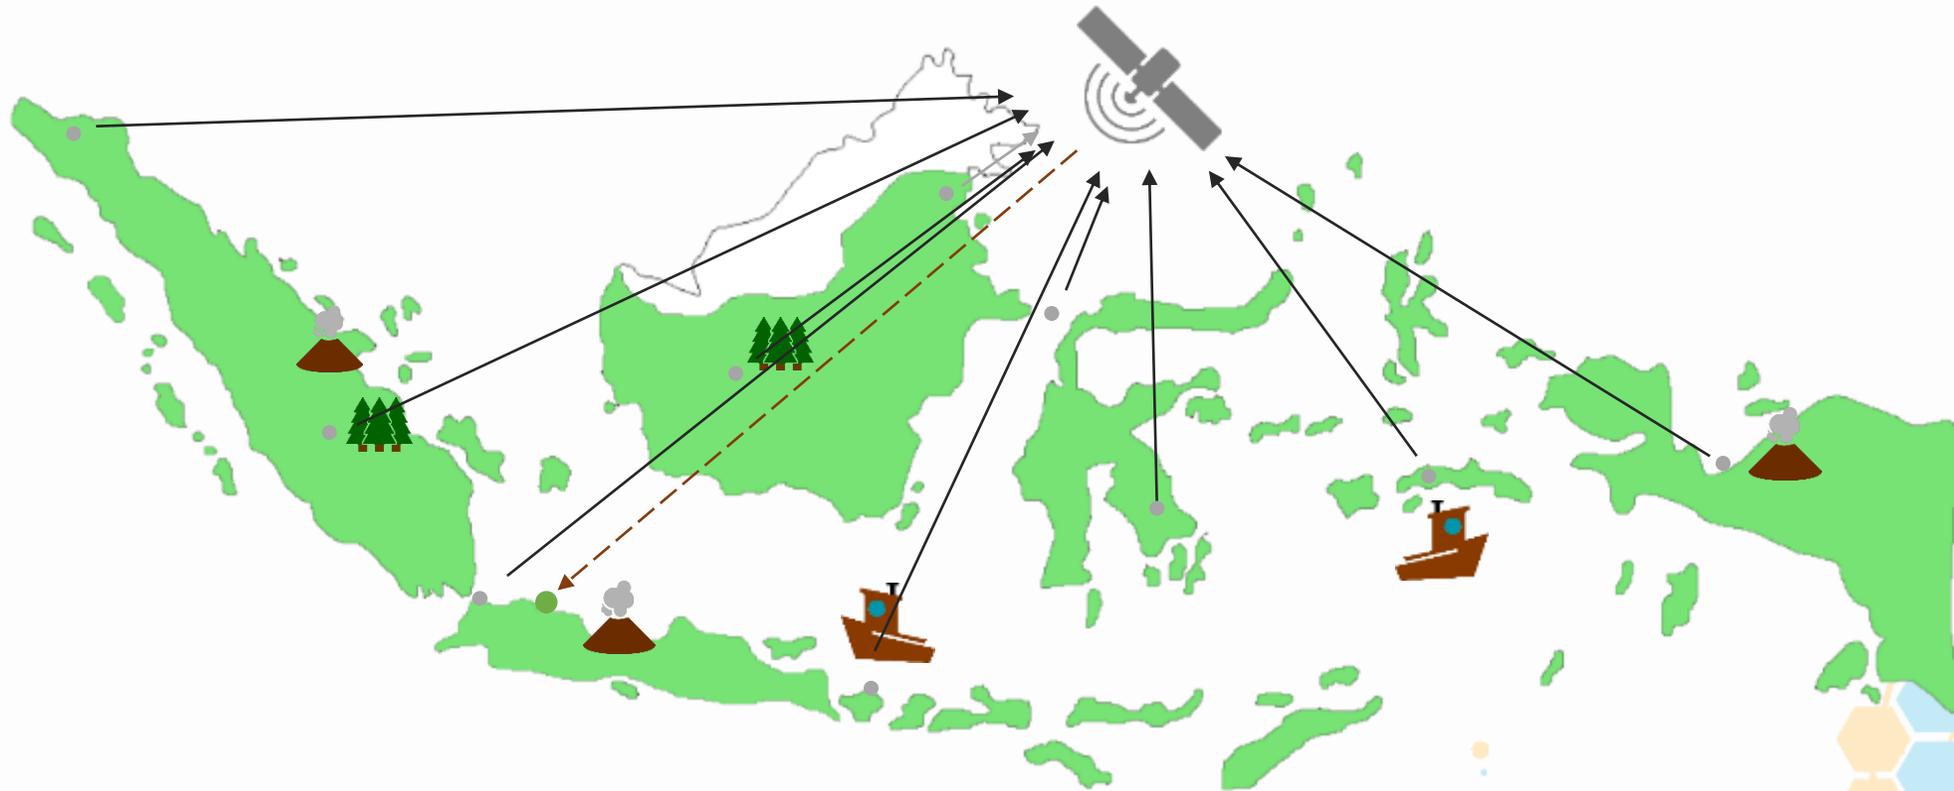

November

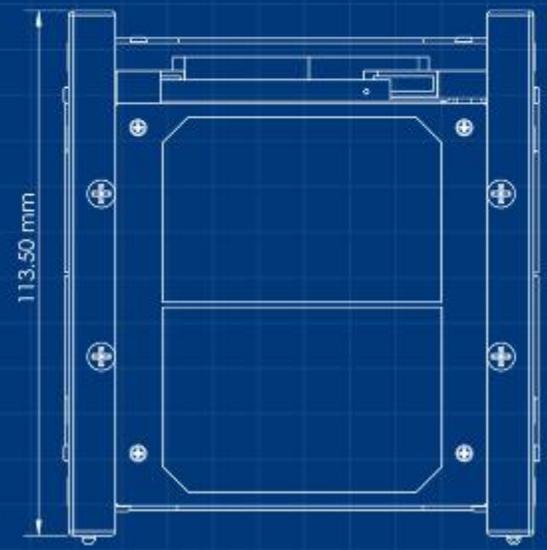

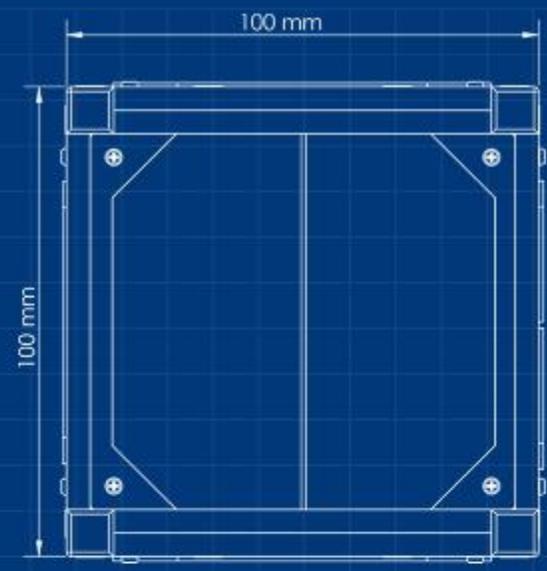

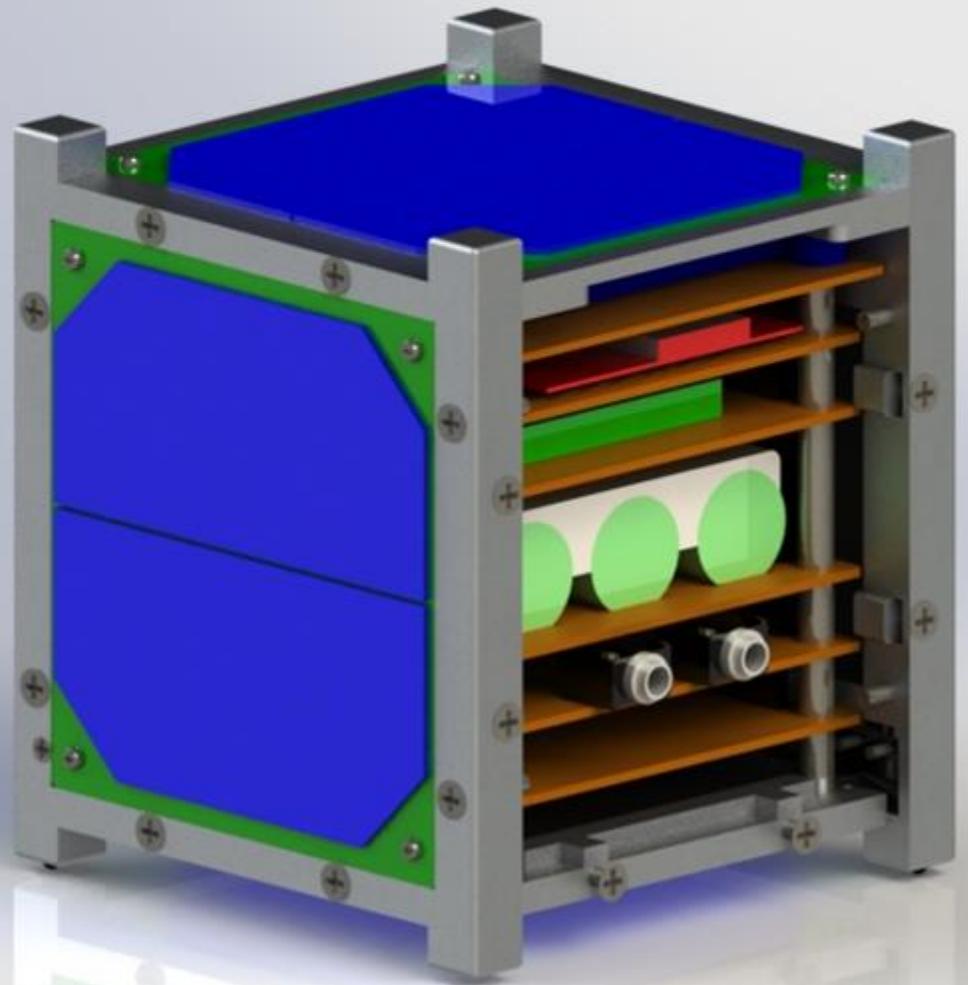

# The Concept

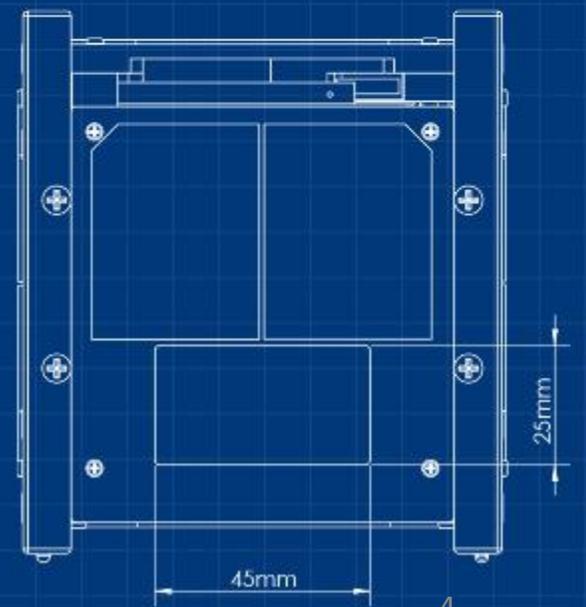

---

# The Design & Progress

Satellite Current progress:  
- Phase 3 of JAXA review  
on our satellite

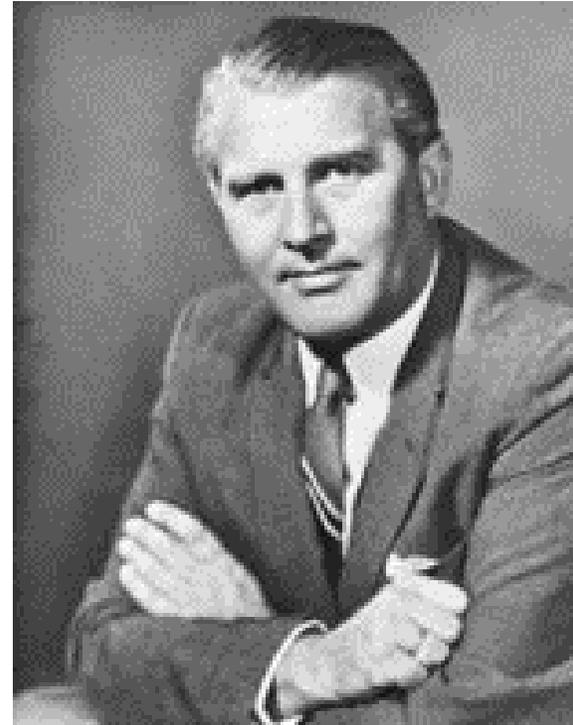

There is an old saying in Aerospace

‘One good test is worth a  
Thousand Expert Opinions.’

~ Wernher von Braun

# THANK YOU
