

Information furnished in conformity with the Convention on Registration of Objects Launched into Outer Space

Note verbale dated 11 April 2024 from the Permanent Mission of Armenia to the United Nations (Vienna) addressed to the Secretary-General

The Permanent Mission of Armenia to the United Nations (Vienna), in accordance with article II of the Convention on Registration of Objects Launched into Outer Space (General Assembly resolution [3235 \(XXIX\)](#), annex), has the honour to notify the Secretary-General of the United Nations that on 9 December 2020, Armenia established a national registry of objects launched into outer space, which is currently paper-based and offline.

The national registry of Armenia is maintained by the Ministry of High-Tech Industry of the Republic of Armenia (HTI Ministry). The contact details of the HTI Ministry are as follows:
