

Promoting Cooperative Solutions for Space Sustainability

# Who We Are

- Secure World Foundation (SWF) *is a private operating foundation* that promotes cooperative solutions for space sustainability
- **Our vision:** the secure, sustainable, and peaceful uses of outer space that contribute to global stability on Earth
- **Our mission:** Secure World Foundation works with governments, industry, international organizations, and civil society to develop and promote ideas and actions to achieve the secure, sustainable, and peaceful uses of outer space benefiting Earth and all its peoples

- **Space Sustainability:** Ensuring that all of humanity can continue to use outer space for peaceful purposes and socioeconomic benefit over the long term
- **Space Policy and Law Development:** Promoting and assisting in the development of international and national norms, laws, and policies to foster responsible behavior by States and private sector actors
- **Human and Environmental Security:** Promoting improved governance and international cooperation in the delivery of information derived from space systems, and promoting cooperative efforts for the protection of our planet from the threat of near-Earth objects (NEOs)

# OUR **SECURE** FUTURE

---

Women Make the Difference

*a program of **One Earth Future***

*Promoting Cooperative Solutions for Space Sustainability*

## **OUR VISION**

**A more peaceful future transformed by women's full participation.**

## **OUR WORK**

**Amplifying women's voices,  
Strengthening the global network of women peacebuilders,  
Promoting committed action by multiple stakeholders to turn policy  
into practice.**

# Why Space?

**You never change things by fighting the  
existing reality.**

**To change something,  
build a new model that makes the  
existing model obsolete.**

**Buckminster Fuller**

Peace agreements are 35% more likely to last at least 15 years when women participate.

States with a larger gender gap tend to have:

- Higher levels of corruption
- Greater likelihood of inter and intra-state violence
- Higher rate of disease
- Lower life expectancy

States with a smaller gender gap tend to have:

- Durable peace agreements
- Lower levels of child mortality
- Greater focus on social welfare
- Higher trust in their government
