Global / Regional Navigation Satellite Systems and Augmentations Internal Times descriptions

- ◆ Recommendation 11 (2011) on « Finalization and publication of templates on geodetic and timing references »
 - Ongoing, most templates have been published between 2012 and 2015
 - Some templates need updating due to last leap second insertion

- ◆ Templates available at <http://www.unoosa.org/oosa/en/ourwork/icg/resources/Regl-ref.html>

Present status of templates

GNSS time	Year publicated	Update needed
GPS time	2012	Leap second
GLONASS time	2014	-
Galileo System time	2012	Leap second
EGNOS	2015	-
IGS time	2012	V2 Leap second
BeiDou		
QZSS		
IRNSS		

Provision of templates and updates by 15 January 2016
