SUMMARY OF SCHEDULED MEETINGS

734th meeting

Remote Sensing [7]

The Subcommittee continued its consideration of this item with statements by the representatives of Italy and Japan.

Long term Sustainability of Outer Space Activities [14]

The Subcommittee continued its consideration of this item with a statement by the representative of Venezuela.

Draft provisional agenda for the forty-eighth session of the Subcommittee [16]

The Subcommittee continued its consideration of this item.

Special presentations

Presentations were made by the representative of Algeria on “Third African Leadership Conference on Space Science and Technologies for Sustainable Development”, by the representative of China, on “CBERS and HJ-1A/1B data applications and international cooperation” and by the representative of Burkina Faso on “Space technology and management of the first September flooding in Burkina Faso: from Charter activation to rapid mapping”, in Conference Room M1.

735th meeting

Remote Sensing [7]

The Subcommittee concluded its consideration of this item.

Near-Earth objects [12]

The Subcommittee concluded its consideration of this item with the endorsement of the Report of the Working Group on Near-Earth Objects (as contained in document A/AC.105/C.1/NEO/2010/L.1).

Long term Sustainability of Outer Space Activities [14]

The Subcommittee concluded its consideration of this item with a statement by the representative of France.

Draft provisional agenda for the forty-eighth session of the Subcommittee [16]

The Subcommittee suspended its consideration of this item pending discussions in the Working Group of the Whole.

Report to the Committee on the Peaceful Uses of Outer Space [17]

The Subcommittee began its consideration of this item with the adoption of the first part of the report to the Committee on the Peaceful Uses of Outer Space (as contained in document A/AC.105/C.1/L.304) with statements by the representatives of Bolivia, China, India, Iraq, Mexico, Switzerland and Venezuela. The observer for APSCO also made a statement.

Special presentations

Presentations were made by the representative of Germany on “Forest and Environmental Monitoring Activities in the Climate Change Process”, by the representative of South Africa on “Formalizing South Africa’s national space programme” and by the representative of Burkina Faso on “Telehealth/telemedicine in Burkina Faso”, in Conference Room M1.

WORKING GROUP ON NEAR-EARTH OBJECTS

The Working Group held a closed meeting in the afternoon to adopt its report (as contained in document A/AC.105/C.1/NEO/2010/L.1).
