**Committee on the Peaceful
Uses of Outer Space**

**Information furnished in conformity with the Convention
on Registration of Objects Launched into Outer Space**

**Note verbale dated 31 October 2013 from the Permanent Mission
of Mexico to the United Nations (Vienna) addressed to the
Secretary-General**

The Permanent Mission of Mexico to the United Nations (Vienna), in accordance with article II of the Convention on Registration of Objects Launched into Outer Space (General Assembly resolution 3235 (XXIX), annex), has the honour to notify the Secretary-General of the United Nations that Mexico has established a national registry of objects launched into Earth orbit or beyond. The registry was established on 1 March 2013, and its maintenance is the responsibility of the General Coordination Office for Space-related Security and International Affairs of the Mexican Space Agency.
