### Special Event

A Special Event hosted by the United States of America on the theme “The legacy of the Apollo 11 Mission: the future of space exploration” will be held today, Wednesday, 12 June 2019, in Board Room D, as part of the morning meeting.

The special event will be opened by H.E. Ambassador Jackie Wolcott, Permanent Representative of the United States of America to the International Organizations in Vienna. Presentations will be delivered by Mr. Scott Pace, Executive Secretary, National Space Council; Mr. Ken Bowersox, NASA Deputy Associate Administrator for human Exploration and Operations and Former Space Shuttle Commander; Mr. Jon Harrison, OES Senior Advisor, Bureau of Oceans and International Environmental and Scientific Affairs, U.S. Department of State; Mr. Dan Dumbacher, AIAA Executive Director; and Ms. Simonetta Di Pippo, Director of the United Nations Office for Outer Space Affairs. Questions and answers will be moderated by Mr. Ken Hodgkins, Director of the Office of Space and Advanced Technology, Bureau of Oceans and International Environmental and Scientific Affairs, U.S. Department of State. There will also be screened a video during the special event.
