Vienna, 1st of September 2021

The Permanent Mission of the State of Kuwait to the United Nations and other International Organizations in Vienna presents its compliments to the United Nations Office for Outer Space Affairs and has the honor to inform that the State of Kuwait has decided to apply for the membership of the Committee of the Peaceful Uses of Outer Space (COPUOS).

The State of Kuwait is party to all UN Treaties on Outer Space, and is in the process of launching the first national satellite into orbit in 2022. We look forward to expanding our national abilities in the field of space technology and applications and we are committed to contribute to the valuable work of the committee.

The Permanent Mission of the State of Kuwait to the United Nations and other International Organizations in Vienna would be grateful if the secretariat of the United Nations Office for Outer Space Affairs could circulate this note verbal to the esteemed member states of the COPUOS.

The permanent Mission of the State of Kuwait to the United Nations and other International Organizations in Vienna avails itself of this opportunity to renew to the United Nations Office for Outer Space Affairs the assurances of its highest consideration.
