## **Information furnished in conformity with the Convention on Registration of Objects Launched into Outer Space**

### **Note verbale dated 7 March 2024 from the Permanent Mission of the Russian Federation to the United Nations (Vienna) addressed to the Secretary-General**

The Permanent Mission of the Russian Federation to the United Nations (Vienna), in accordance with article IV of the Convention on Registration of Objects Launched into Outer Space (General Assembly resolution [3235 \(XXIX\)](#), annex), has the honour to transmit data on space launches by the Russian Federation in January 2024 and on previously launched space objects that ceased to exist during that period (see annex).

## Annex

### Registration data on space objects launched by the Russian Federation in January 2024\*

1. In January 2024, the Russian Federation did not launch any space objects included, in accordance with established practice and its international obligations, in the register of space objects launched by the Russian Federation and over which it exercises jurisdiction and control.
2. In January 2024, the Russian Federation did not launch any space objects on behalf of foreign clients.
3. As at 2400 hours Moscow time on 31 January 2024, no space objects belonging to the Russian Federation had been found to have ceased to exist in Earth orbit in January 2024.

---

\* The registration data are reproduced in the form in which they were received.
